Funding for the original version of this manual (Taylor and Jackson 1994) was provided by Forestry Tasmania. The following people assisted in preparation of the manual by providing information on the species: P. Andrews, K. Bonham, G. Bornemissza, R. Brereton, S. Bryant, S. Chilcott, R. Eberhard, S. Eberhard, R. Gaffney, P. Horwitz, I. Household, P. Humphries, K. Kiernan, T. Kingston, P. McQuillan, B. Mesibov, N. Mooney, B. Moore, A. Neboiss, M. Neyland, A. Richardson, A. Sanger, L. Turner. Maps were prepared for publication by Forestry Tasmania mapping branch (G. Coombe and T. Rainbird).

1998 revised version was compiled by J. Jackson and S. Munks. Funding was provided by the Forest Practices Board, with assistance from Parks and Wildlife Service threatened species specialists. Assistance with information was generously given by P. Bell, K. Bonham, R. Brereton, S. Bryant, L. Cook, D. Crook, N. Doran, N. Duhig, S. Eberhard, P. McQuillan, J. Meggs, B. Mesibov, N. Mooney, M. Moore, S. Munks, M. Neyland, A. Richardson, B. Smith, M. Wapstra, P. Wells. Page layout was done by David Hinley and figures were prepared by John Sulikowski. P. Wells, R. Taylor, R. Brereton, S. Bryant, N. Mooney and M. Wapstra commented on the final draft. M. Wapstra assisted with the final editing.

The 2000 revisions were made by M. Wapstra, H. Otley and S. Munks. Funding was provided by DPAC and FPB. Assistance with new information was generously given by K. Bonham, R. Brereton, B. Brown, S. Bryant, A. Clarke, L. Cook, N. Doran, J. Jackson, J. Meggs, B. Mesibov, N. Mooney, S. Munks, H. Otley, K. Richards, A. Richardson and M. Wapstra.

The 2011 revisions were made by K. Richards and S. Munks. Funding was provided by FPA. New information was obtained in collaboration with the Threatened Fauna Adviser review, a project running concurrently. New information was generously given by P. Bell, K. Bonham, R. Brereton, B. Brown, S. Bryant, S. Chilcott, P. Davies, N. Doran, M. Driessen, S. Fox, R. Freeman, C. Hawkins, R. Gaffney, G. Hocking, M. Holdsworth, J. Jackson, D. Jarvis, M. Jones, R. Kavanagh, B. Lazenby, P. McQuillan, N. Mooney, S. Munks, D. Pemberton, A. Philips, K. Richards, A. Richardson, C. Spencer, M. Todd, S. Troy, E. Wapstra, M. Wapstra, M. Webb, J. Wiersma, D. Wilson and M. Approval to utilise listing statements and to establish links to external DPIPWE website was given by P. Bell (Threatened Species Section, DPIPWE).

Preparation of the material in this manual for display on the Forest Practices Authority web page was undertaken by FPA GIS officer (Daniel Livingston) and K. Richards (FPA Biodiversity program) in consultation with S. Munks (FPA Biodiversity program), P. Bell and C. Hawkins (Threatened Species Section, DPIPWE) and K. Goddard (Natural Values Atlas, DPIPWE). The locality data for this manual is sourced from the Natural Values Atlas, DPIPWE. Funding was provided by FPA.
